Last updated: dd/mm/yy

At radioaktivefilm., (“radioaktivefilm” “we” or “us”) we care about the privacy of your data and are committed to protecting it. This privacy notice aims to inform you about how we process your personal data when you use our website <https://radioaktivefilm.com/> (“Site”).

1. Who we are?

We are radioaktivefilm and we are the data controller for your personal data. You may contact us via email at info@radioaktivefilm.com.

2. What data do we process?

You may browse our Site without providing us with any of your data. Also, you may give us data about yourself, such as CV, information for casting or bid requests in an email. Any data you provide is used to prepare a response to you. To process your requests we use the performance of a contract as a legal basis.

Our web server automatically collects the default information logged by most servers; this information may include your Internet protocol (IP) address, the type of browser and operating system you are using, the date and time you visit, and the pages and files you request. We process this information on the basis of performance of a contract when it is used to provide you with access to the Site; and this information is also processed for analytical and statistical purposes. When we process this information for

3. How do we share and disclose data?

We do not intend to share and disclose your data to anybody. The only reason when we may disclose your data is when we have an official request from a governmental authority.

4. Do we use cookies?

A cookie is a piece of data stored on the user's hard drive containing information about the user. Cookies generally do not permit us to personally identify you.

You can choose to turn off all cookies. The links below provide information about cookie settings for the browsers:

5. How do we handle your data?

5.1. **Security.** We take reasonable operational and technical measures to limit access to your data. For example, data that we receive is available only to authorized employees. If you have a reason to believe that your interaction with our Site is no longer secure, please immediately notify us by contacting us in writing at info@radioaktivefilm.com.

5.2. **Retention of your personal data.** We retain your personal data for as long as necessary to fulfill the purposes described in this Notice unless otherwise required by law.

6. How do we treat minors?

We do not and will not knowingly collect personal data directly from any child under 16. We may process data of a child under 16 only upon a parent or guardian's request and only after the verification of parent/guardian identity and authority to represent a child. However, if you are a parent or guardian and are concerned about the personal data of your child, please contact info@radioaktivefilm.com.

7. Do we transfer your data?

In the course of our operations, we may need to process your data outside of the country in which you reside. In such a case, we will use appropriate safeguards (for example, contractual data protection clauses), to ensure that your personal data will remain protected.

8. How can you manage your personal data?

If you would like to access, review, update, rectify, and delete any personal data we hold about you, or exercise any other of your rights such as a right to object or restrict processing and a right to data portability, you can email us to info@radioaktivefilm.com. In case you are unhappy with how we handle your data, you have a right to lodge a complaint with a supervisory authority.

9. How do we update this notice?

Applicable law and our practices change over time. If we decide to update our Privacy Notice, we will post the changes on our Site. If we materially change the way in which we process your personal data, we will provide you with prior notice. Where legally required, we will request your consent prior to implementing such changes. We strongly encourage you to read our Privacy Notice and keep yourself informed of our practices.
